Yes No

31. Is the NCP interested in being part of the team conducting a voluntary peer evaluation?

Yes No

E. Specific instances

32. Did the NCP develop procedures for handling specific instances?

Yes No

33. How many new specific instances did the NCP receive in the reporting period?

34. Do you have any updates on specific instances that were reported and not concluded in the previous reporting period?

Yes No

Title	Specific Instance related to the labor rights of mining workers
Status	In progress
	The Guidelines regarding mining workers' rights, in the closure of a mine managed by a subsidiary of a multinational Swiss company. However, as formal procedures regarding this case were initiated before Peruvian judicial instances, the NCP coordinated with the parties to bring them together in order to facilitate an of-court settlement. However, the enterprise

Summary	expressed its intention to address the issue in the conciliation phase that occurs within the framework of the regular judicial procedure. On February 2014, the CUT communicated the NCP that the first instance judgment of the judicial process has already been issued and notified. Thus, they required us to perform our best efforts to reconnect with the company to achieve an of -court settlement. Following the requirement, the NCP has met with both parties giving new impetus to this specific instance.
Link	

F. Useful experiences and future work

35. Provide any other information on the nature and results of NCP activities during this implementation cycle of the updated Guidelines, including on any useful experiences and/or difficulties encountered in carrying out the duties of the NCP.

- Participation in the “Peer Learning Session and Capacity Building within the Latin American PNCs” that took place in Bogota, Colombia on October 2013. During this sessions, the Peruvian NCP had the chance to learn from the experience of the English NCP and to share its experiences, good practices and challenges with the NCPs of Colombia, Chile and México.
- Participation in a videoconference organized by the NCP of Costa Rica on April 9, 2014, in which we exchanged experiences, difficulties and good practices with other NCPs such as Colombia, Argentina and Costa Rica within the topic "Opportunities and Challenges for Latin American countries in the implementation of the Guidelines."

36. Based on your recent activities, what issues might deserve particular attention during the 2014-2015 implementation cycle of the OECD Guidelines?

- Improve and formalize the process that we currently have for purposes of filing and processing the specific instances that may be presented.
- Try to find the different possibilities in order to have a mediation service that is helpful for the resolution of specific cases.
