

# PPP AND PA PORTFOLIO

# WHO ARE WE?

## ROLE OF PROINVERSIÓN

### PROINVERSIÓN AND THE PRIVATE INVESTMENT PROMOTION

We are a **specialized technical agency**, attached to the MEF, with technical, functional, administrative, economic, and financial autonomy.

We have a **portfolio with traditional/productive infrastructure projects** (transport, electricity) and more recent emphasis on **social infrastructure** (education, health and sanitation).

We promote private investment through **Public-Private Partnerships (PPP), Projects in Assets and Works for Taxes.**

We are responsible for **projects of national relevance** assigned to us, or those **received on behalf of the three levels of Government.**

## PROINVERSIÓN: WHO ARE WE?

The Private Investment Promotion Agency - PROINVERSIÓN, is a **specialized technical agency, attached to the Ministry of Economy and Finance**, with legal status under public law and technical, functional, administrative, economic, and financial autonomy. **It was created in 2002.**

It promotes private investment through **Public-Private Partnerships (PPP), Projects in Assets (PA) and Works for Taxes (OxI).**

Our mission is **to promote private investment in infrastructure and public services** for the benefit of all Peruvians with technical leadership, transparency and quality.

Our vision is: "To be an agency recognized by investors and the population as an effective strategic ally for **investment development in Peru.**"

## PROINVERSIÓN COMPETENCES

### PROINVERSIÓN AND THE PRIVATE INVESTMENT PROMOTION

To design, conduct and conclude the process of promoting private investment in projects developed through the modalities of Public-Private Partnership and Projects in Assets, within the scope of their competence.

To intervene in the contractual execution phase in the cases expressly established in DL 1362 and its Regulations: (i) contractual modifications; as well as in the conformity of (ii) financial closing and (iii) guaranteed indebtedness or similar, where applicable.

To provide technical assistance and support to public administration entities by signing agreements.
